# Overview of Responsibilities

You will work within, encourage and promote our Culture and Values. These include the people we support, the support teams and networks around them & the wider community.

- Championing diversity by representing and advocating all individuals with varying backgrounds or beliefs whilst promoting their rights ensuring personal dignity, privacy and respect of each person is advocated, promoted and upheld at all times.
- Challenging inequality - educate where there is misunderstanding but when it is unjust ensure it is challenged. Ensure fair access to health needs.
- Be positive - in your expectations, be open minded and promoting opportunity and an encouraging environment.
- Ensure everyone reaches their full potential, reducing unnecessary reliance on support whilst offering a stimulating and fulfilled life.
- Respecting choices whilst ensure that people have a valued and high quality of life, opportunities and experiences.
- Be aspirational aiming high and believing everyone can achieve their goals, in one respect or another.
- Being honest, recognise your limitations, that you may make mistakes and learn from them whilst keeping everyone safe.
- Actively listening, whilst respect others' views and sharing your own for a common goal.
- Being bold – Manage Risks - Maximising Life.
- Embracing others' experiences whilst sharing you own and using them to grow together.
- Being active - encourage being a real part or the local and wider community and opportunity to participation in physically demanding activities in accordance to the requirements of the person. including but not limited to animal care, hiking, swimming.
- Getting to know people, keeping them at the centre of your thoughts whilst helping them have varied opportunities.
- Keep others and yourself healthy and safe. Telling others if you feel it is not safe.
